RELEASE DATE: July 15, 2008

WINEMAKING

- Wine produced using the saignee method, and white winemaking techniques to retain freshness
- Fermentation in stainless steel and neutral French-oak cooperage, and aged 9 months in barrel
- Blended near the end of aging, filtered and bottled

NOTES

Beautifully fresh and floral dry rosé from two extraordinary Santa Barbara County vineyards, showing cherry, strawberry, violets and a hint of spice. Great alone or with a variety of foods, from poultry and game to cured salmon and crab salad. Serve at cellar temperature.

Ready to drink now.
